## Sea Eagle Guarantee

Congratulations on purchasing a Sea Eagle product! With over 40 years of experience in designing, selling and using these quality inflatables, we're confident that you are going to love your Sea Eagle and we're ready to proudly stand behind them.

### Sea Eagle Warranty

All Sea Eagle products come standard with a 3 year warranty against any manufacturing defect that begins the date that your product is delivered. Sea Eagle will refuse delivery on all packages without a valid return authorization number and will not be responsible for the shipping or handling charges. To obtain a return authorization number, please contact Sea Eagle directly unless you purchased from an authorized dealer/reseller in which case you should contact them for more information.

Sea Eagle must inspect equipment in order to determine if there is a defect. In the event that an item must be shipped back to us for inspection, Sea Eagle will only reimburse the standard return shipping charge through FedEx, UPS or the U.S. Post Office at published shipping rates. Retail shipping outlets like The UPS Store will not be reimbursed and you will be responsible for handling and packing charges.

The Sea Eagle warranty does not apply to products that are manufactured by Minn Kota or Torqeedo. These products are covered by their own, respective warranties. Please refer to the manufacturer's warranty of each product for details.

If you received an item damaged, please call the shipping carrier to report damaged merchandise. Do not return damaged merchandise until it has been inspected by the carrier. Sea Eagle will be notified by the carrier when they have completed their inspection and if necessary, Sea Eagle will arrange for the repair or replacement of damaged merchandise.

## Contact Us

Unlike many other companies today we pride ourselves on answering the phone and helping you with any concerns, questions or special ordering needs that you may have!

Feel free to give us a call at 1-800-748-8066 and we will be happy to talk with you!  
Our business hours are Monday to Friday from 9-5 (EST).

## Operating Your EZ Cart

Our Sea Eagle EZ Carts can be used with most Sea Eagle models and allow you to roll your boat from where you inflated it to where you launch it.

We have two models of our EZ Cart, the 'S' (small) model and the 'W' (wide) model. The EZ Cart S is compatible with our Sea Eagle Explorer, FastTrack and Sport Kayak models as well as our SE-8, SE-9, 285FPB Frameless Pontoon Boat, 375FC FoldCat and PaddleSki. The EZ Cart W is compatible with our Sea Eagle 124SMB, 8.10YT and 440FC FoldCat.

The EZ Cart has a weight limit of 125 lbs. and is not recommended for our heaviest boats or boats carrying an 8HP motor or higher. Do not stand on the EZ Cart bar or exceed the weight limit and under no circumstance should you use your EZ Cart with a motor vehicle as you can damage both your boat and the EZ Cart and will void your Sea Eagle warranty.

## Assembly

### EZ Cart

Includes EZ Cart Bar (short bar for S model, long bar for W model), two wheel frames, two wheels and hardware bag complete with four washers, 2 lock pins and two 67" boat straps.

Take one of the wheel frames and insert it into the opening on the EZ Cart bar by pushing in the button on the bar. You can adjust the length of your EZ Cart by using the various pre-drilled holes spaced throughout the bar.

Begin by taking a washer and sliding it over the pins of the wheel frames.

Place the rear of your boat on top of the EZ Cart and run the straps through the loops on the wheel frame.

Next, slide the wheels over the washers and pins. Make sure the concaved side of the wheel is facing out, as shown.

For most boat models you will only need to strap over the top of the boat. The straps make sure that the boat stays in place while you are pulling the boat. For larger models like our FoldCats & SailCat you can strap down each pontoon to the loop on the wheel frame.

With the pin sticking through the wheel, place another washer over the top and lock into place using one of the circular lock pins.

You are now ready to use your Sea Eagle EZ Cart!

## Optional Sea Eagle Accessories

### Squid Anchor Kit

No assembly required, it's fast and easy to use. It weighs only about 7 oz. when empty and can be filled up to 11 lbs. The anchor can also be flipped inside out to become its own compact storage bag.

### Waterproof Bag

This clear waterproof bag will hold your cell phone, camera or any other small article you want to stay dry. Included with both the Pro Kayak & QuikSail Boat Packages.

### Child's Life Vest

Children are required by law to wear life jackets in many jurisdictions. Designed for children 50-90 lbs. in weight, this U.S. Coast Guard life jacket features secure belts for a comfortable fit.

Only fill your waterproof bag about half way, or no more than 3/4 of the way full. To close the waterproof bag it must be folded three times.

### Paddling Life Vest

U.S.C.G approved! This type III PFD is designed specifically for paddling and rowing comfort with more room under the arms. Comes in various sizes and features vest pocket, zipper closure and adjustable nylon straps for a secure fit.

Starting at the top, fold the bag once so that it aligns with the back of the strip of velcro and then again keeping the strips aligned. Make the final fold pressing the two strips together.

### PFD Boat Cushion

Also U.S.C.G approved! A throwable type IV PFD which can be used in case of emergency or for everyday use as a comfortable seat.

Before using on the water, make sure that you have triple folded your waterproof bag and that it is tight and secure. Do not roll your bag.
